Aims

The purpose of Ver Players is to allow local people to play ukulele, and sing together, in a communal and supportive environment.

Ver Players is run by Stephen Wragg, assisted by Esther Wragg, and other members as required.

Membership

Membership shall be open to any member in good standing of Ver Players.

Membership is open to local people from St Albans and the surrounding area.

There is no technical precondition for membership; players of all abilities are welcomed.

An annual membership fee is levied to cover the costs of the organisation.

Membership is not required to attend the monthly sessions, but is required for the practise sessions and to receive the music.

Benefits of membership currently include a discount on purchases at a local music shop.

Activities

The principal music session takes place at The Rose & Crown, St Albans once a month.

Additional activities are arranged on an ad hoc basis; currently there is an additional practise session once a month at The Courtyard Café, St Albans.

All members have the opportunity to perform at community events from time to time. Additionally performance opportunities for selected players, by invitation, may also be provided.
